Annual Fall Smoke Detector Blitz and Fire Drill...

Our maintenance staff will require access to all units for the purpose of changing smoke detector batteries and subsequent testing of the smoke detector during our annual **Smoke Detector Blitz on Wednesday, November 2nd and Thursday, November 3rd between 9am and 3pm.**

Stay tuned! A representative from Trent Security will be on hand to ensure proper policies and procedures are followed during our **Annual Fire Drill.** All tenants are encouraged to participate. Details will be posted throughout the building.

Local Events...

Show respect and support for our Canadian veterans and troops by wearing a poppy. Remember those who gave us our freedom and attend our local Remembrance Day ceremony at Confederation Park on Friday, November 11th at 10am.

- ✓ *Install and regularly update security software.*
- ✓ *Check financial statements frequently and look for unusual activity.*
- ✓ *Be social media savvy. Set social media profiles to the private setting.*

Halloween donations...

BIG THANK YOU to all tenants who provided and those who handed out treats for our Halloween trick or treaters'.

Storage cage for rent....

We have one storage cage for rent!! Please speak with Diana at the VH2 office or call Bonnie at the main office downtown. ***The monthly fee is \$30 with a \$10 security key deposit!!***

November generator testing...

Scheduled testing of the generator will take place twice in November; the 9th and 23rd. Keep your doors and windows shut and refrain from using exits at the southwest end of the building.

Donation table in the laundry room...

Make certain all donated goods are not soiled, stained, torn or in need of repair. Any items not suitable for re-use will be removed immediately! *Please – no food donations or exercise equipment!*

Drawing your attention to...

The laundry room at VH2. It is a convenient amenity for all tenants. It has recently been reported that tenants are using 4 or 5 washing machines at one time. To alleviate delays with these machines, please use a maximum of 2 (two) clothes washers or dryers at one time during peak hours of 9am to 9pm!

A recent complaint; peanut shells and blue jays, no, not the Toronto Blue Jays, are amassing on tenant's balconies on the south east corner of VH2. Refrain from feeding wildlife as handouts increase the chances of fighting, injury and the spread of disease! **THANKS!!!!**

Prepare for the cold weather!

- ✓ Protect yourself using sanitary practices. Eat well, stay hydrated, get plenty of sleep, take vitamin supplements, cover your coughs and sneezes and *wash your hands!*
- ✓ Protect your life by staying up to date on building emergency evacuation plans by participating in the annual fire drill!
- ✓ Protect your home. Do your research and practice safe fire handling skills. Unfortunately, winter marks the height of residential fires. From candles, to Christmas lights, to space heaters, there are risks at every turn!
- ✓ While away on holiday, lock doors and windows. Notify trusted neighbours of your vacation. Find someone reliable to check your apartment. Stop mail and newspaper delivery. Unplug electronics to prevent electricity-related issues!

The cold weather will be upon us before we know it!
