Unit access.....

Our contractor, *Tri-Line Electric Ltd.* will require access to certain tenants' units for the purpose of completing work to encase wires in the balcony door area left exposed during the window and door replacement project. Staff will require direct, clear access to the balcony door. In most cases, furnishings do not need to be relocated nor covered; ensure there is some clearance around the door to complete this repair. Tenants will be notified by phone and written notice.

Cloudy water...

To address issues brought forward about cloudy water, we spoke with staff from the PTBO Water Treatment plant:

- Cloudy water typically occurs on and off throughout the winter.
- Our water source is the Otonabee River. There are many dams the length of the river that cause turbulence and pressure that introduce air into the water.
- Water temperature has a huge impact on the retention of air. Cold water retains air much longer than warm water.
- Locally, the water temperature was fairly reasonable until December 2017. The sudden extreme cold temperatures have caused this issue to occur.
- Fill a clear glass with water. It should clear up within 5 to 7 minutes. Questions may be directed to PTBO Utilities staff at 705-748-9300.

Contact Diana at the VH2 office or Bonnie at 705-876-1717 ext. 201 should you wish to receive the newsletter by email.

After hour's emergencies...

In the event of an **emergency** outside of regular business hours call **705-876-1717 and press '5'**. On a rare occasion, you may not reach someone directly. Be sure to listen to the recorded message and follow the directions. You will be presented with an alternate emergency contact phone number. Ensure you provide our on-call service provider with:

- ✓ The building street address.
- ✓ Your name, phone number and unit number.
- ✓ A detailed description of the emergency.

Happy St. Patrick's Day

March generator testing...

Scheduled testing of the generator will take place twice in March; the 7th and the 21st. Please keep your doors and windows shut and refrain from using the exits at the southwest end of the building.

Local Events...

Celebrate Women's Day, PARN is hosting *Blind Date with a Book!* Visit PTBO Square on Thursday, March 8th between 11am and 2pm. Take home a book without knowing the title. Suggested donation of \$2.00 per book. Also, a variety of yummy baked goods available for purchase. 100% of the proceeds will be donated to The United Way Campaign!

PLEASE STOP THROWING PEANUTS, BREAD, CARROTS and CIGARETTE BUTTS OVER BALCONIES ONTO THE GROUNDS AT THE BUILDING!!

Daylight Saving Time!

On the second Sunday in March, daylight saving time begins and the clocks 'spring forward' one hour. This happens at 3am, so you should change your clocks before going to bed Saturday evening. For 2018, daylight saving time begins on Sunday, March 11th.

Remember to set your clocks ahead one hour!

Apartment living & pets...

Receiving many complaints...no matter where you live, it is essential that all pet owners act responsibly. Pick up and always dispose of pet waste in the pet waste containers at the east, west and back entrances of the building. **Cat litter must be bagged and placed directly in the garbage, not in the outdoor pet waste containers!** Be conscientious of the fact that not all people are pet owners!

Genuinely appreciate the particular individuals who have cleaned up dog feces left by irresponsible pet owners!!
