## Classic Shortbread Cookies...

- 2 cups all-purpose flour
  - ½ teaspoon salt
  - ½ cup plus 2 tablespoons powdered sugar
  - 1 teaspoon pure vanilla extract
  - 1 cup unsalted butter, room temperature, cut into chunks
  - 1 teaspoon water
1. Preheat the oven to 375F.
  2. Add the flour, salt, powdered sugar to a food processor and pulse to combine. Add in the vanilla, butter and water. Pulse together just until a dough is formed. Put the dough on a sheet of plastic wrap and roll into a log about 2½" in diameter and 5" long. Tightly twist each end of the plastic wrap in opposite directions. Chill the dough in the fridge for at least 30 minutes.
  3. Unwrap the dough and slice the log into ½" thick disks. Arrange on nonstick cookie sheets or parchment lined or Silpat lined baking sheets, 2" apart. Bake until the edges are just light brown, about 12 to 14 minutes, rotating the pans half way through the baking process. Let cool on the cookie sheets for 5 minutes and transfer to wire racks to cool to room temperature. Enjoy!!

### Canadian Christmas facts and quirks...

Our country harvests approximately 5.5 million Christmas trees each year. Roughly one tree for every 7 Canadians. We export, give or take 2.25 million Christmas trees to more than 25 countries, including Japan, Mexico, Jamaica and the USA!

In some corners of Canada, it's Christmas 365 days a year! Pay a visit to Reindeer Station, Northwest Territories, Christmas Island and Noel in Nova Scotia, Sled Lake, Saskatchewan, Holly and Turkey Point, Ontario and Snowflake, Manitoba.

Canadians love eggnog! In December 2014, Canadians bought over 5.3 million litres of eggnog! That's enough to fill two Olympic sized swimming pools!
