You may hear pumps running and bells ringing. Postpone carrying out your laundry chores during this time as water pressure and quantity will be lower than normal.

Just a reminder; during inclement weather, ensure that your apartment windows do not remain open so as to admit rain or snow. Thank you.

Recycling bins...

- ✓ The larger 6-yard bin is strictly for plastic bottles, tubs and jugs, glass bottles and jars, aluminum cans and foil, milk cartons, juice cartons, clean foam cups and bowls.
- ✓ The smaller 4-yard bin is for paper products exclusively; paper coffee cups, no lids, office paper, printer / copier paper, newspaper, magazines, catalogues, phone books, cardboard and boxboard. Ensure cardboard and boxboard is broken down flat.

Placing paper products in the container bin or vice versa contaminates these bins. Our contractor cannot empty contaminated recycling bins. Make certain your recycling is always placed in the appropriate bin!!

Shift your apartment into a warm and cozy retreat...

Bring warm fall scents home this season. Throw some ginger cookies, cinnamon rolls or pumpkin pie in the oven. Enjoy delicious smells by letting meals like chili, stew and soup simmer throughout the day in your crockpot.

Set out fall decor. Introduce fall colours like red, yellow, purple, dark blue and orange by arranging pillows and blankets throughout your apartment. These pieces also increase the comfort and warmth of your living space.

Reorganizing? Maximize your living space by having more of what you love and less of what you don't. Contact The Salvation Army Thrift Store at 705-742-0483 or St. Vincent De Paul at 705-742-2585. Both businesses have locations in PTBO and will pick up items based on certain criteria. Tenants removing large items from their space *must* contact a professional removal service. Get in touch with LOADZ at 705-930-5623, Global Junk Removal at 705-977-3976 or 1-800-GOT-JUNK to have large articles like furniture, mattresses, box springs and entertainment units removed from your unit.
