

# Valley Highlights

MYER CHERNEY HOLDINGS LIMITED

August 2020

## Exterior Bedroom Window Cleaning...

We have scheduled cleaning of all the exterior bedroom windows at Valley High 2 by Cruikshank Cleaning Contractors Ltd., on **Thursday August 13<sup>th</sup> – Friday August 14<sup>th</sup>** between 9:00am and 5:00pm. Please ensure that all windows remain closed as a swing stage will be used to move up and down the towers of the building.

*Now that wearing face masks have become mandatory effective August 1<sup>st</sup>, I thought this was something worth sharing...*

When I wear a mask in public, or decline an invitation to a party or to come inside, I want you to know that:

- I am educated enough to know that I could be asymptomatic and still give you the virus.
- No, I don't "live in fear" of the virus; I just want to be part of the solution, not the problem.
- I don't feel like I'm being "controlled by others;" I feel like I'm being a contributing adult to society and I want to teach others the same.
- The world doesn't revolve around me. It's not all about me and my comfort.
- If we all could live with other people's considerations in mind, this whole world would be a much better place.
- Wearing a mask doesn't make me weak, scared, stupid, or even "controlled." It makes me considerate.

When you think about how you look, how uncomfortable it is, or what others think of you, just imagine someone close to you - a child, a father, a mother, grandparent, aunt, or uncle - choking on a respirator, alone without you or any family member allowed at the bedside. Ask yourself if you could have sucked it up. Was it worth the risk?

**Wearing a mask is not political. It's a public health choice!**

**Improper use of Elevator Buttons...** has been a recent cause of the elevators not operating. To ensure the elevators continue to work properly, please **ONLY** use your finger or knuckle to gently press the elevator buttons. Using other objects causes damage which results in unnecessary elevator down-time.

After hours' emergencies... Should you have an emergency after regular business hours, please call 705-876-1717 and press '5'.

## Balcony gardens...

Gardening season is in full swing. Watering first thing in the morning is better for your plants. Ensure saucers are placed under all plant containers. Avoid overwatering. Try self-watering devices such as ceramic water probes or water globes. Be considerate of your neighbours below. *Please note, nothing should be placed on the outside of window sills or balcony railings.* All flower boxes must face the inside of the balcony.

**Apartment living & pets...** *No matter where you live, it is essential that all pet owners act responsibly.* Our office continues to receive complaints that some pet owners are not immediately picking up feces left by their dogs. This is completely unacceptable and very disturbing to think that someone would leave such an unpleasant mess!! Please be respectful; pick up and always dispose of pet waste in the pet waste containers at the east, west and back entrances of the building. Cat litter must be bagged and placed directly in the garbage, not in the outdoor pet waste containers!

# Welcome August

**Exercise, Hobby and Games Room...**Our office has received requests by tenants to re-open the Exercise, Hobby and Games rooms. As much as we would like to do this, we would not be able to adequately monitor and disinfect them between each use. We are currently looking at options such opening through appointment only, a sign-in/sign-out book, or open on certain dates and times.

**Complaints and/or Concerns to be in writing...** Any complaints and/or concerns at Valley High 2, must be in writing and submitted to the office. Please ensure that you put your name and unit number on it when submitting anything in writing.

**Picnic Tables and benches...** In order to protect the safety and well-being of our tenants, staff and guest of Valley High 2, we are not be putting the picnic tables and benches back out for tenants to use. If you would like to sit out side in the courtyard, feel free to take your own lawn chairs out to sit on. Please remember to take your chair[s] back in to your unit when going back inside.

**August generator testing...** Scheduled testing of the generator will take place twice in August; the 5<sup>th</sup> and 19<sup>th</sup>. Keep your doors and windows shut and refrain from using exits at the southwest end of the building.
