

VALLEY HIGHLIGHTS

MYER CHERNEY HOLDINGS LIMITED

MARCH 2022

Please Be Kind... We understand it has been quite difficult for many Valley High 2 tenants over the past several months, and we sympathize with all those affected by the loud sounds and vibrations during the balcony demolition. For some it has been overwhelming, however, the balcony restoration ***MUST*** be completed in order to maintain the structural integrity of the building that each of you call home.

Our office have received complaints from tenants in regards to the loud noises and vibrations, which is fine, as we do value and appreciate everyone's opinion. However, belligerent and/or disrespectful behaviour, such as yelling and screaming into the telephone at our staff ***will not*** be tolerated. Please try to keep in mind we all have a job to do so, please be kind.

Election Time... As it's getting closer to that time again, Elections Ontario offers an opportunity to anyone who may be interested in working at a one of the various polling stations within the city limits. Anyone interested can apply by registering with Elections Ontario online at; <https://www.elections.ca>. Additionally, two polling workers will be required at Valley High 2. If interested please contact the downtown office at: 705-876-1717. We will require your authorization to provide your contact information (name and email) to the office of the Returning Officer. The Polling Station at Valley High 2 is strictly for the residents of our building and not the general public.

Apartment living & pets... *No matter where you live, it is essential that all pet owners act responsibly.* Our office continues to receive complaints that occupants are not immediately picking up pet waste left by their dogs. Please be respectful; pick up and always dispose of pet waste in the containers provided at the east, west and back entrances of the building. Upon a recent visit to Valley High 2, the amount of dog waste observed at the north west corner of the building was absolutely ***DISGUSTING*** and a huge disappointment!! If you cannot take the time to pick up after your pet, then maybe you should reconsider having one. *If someone is being observed not picking up after their dog, please report it in writing to the office.* Cat litter must be bagged and placed directly in the garbage, not in the outdoor pet waste containers!

Diana's Kind Quote of the Month:

*There are good ships & there are wood ships that sail the sea. But the best ships are **FRIENDSHIPS**, may they always be.*

We still want your favourite recipes! Do you have a favourite recipe that you absolutely love? Why not write it down, sign it, and submit it to the office or place in the office mail slot, and we'll add it to the newsletter!

March generator testing... Scheduled testing of the generator will take place twice in March; the 2nd and the 16th. As a reminder, please keep your doors and windows shut and refrain from using the exits at the southwest end of the building.

Daylight Saving Time! On the second Sunday in March, daylight saving time begins and the clocks '**spring forward**' one hour. This happens at 2am, so you should change your clocks before going to bed Saturday evening. For 2022, daylight saving time begins on Sunday, March 13th. **Remember to set your clocks ahead one hour!**

ARE YOU COVERED? If you are planning a vacation, or even if you are going to be away from your apartment for an extended period of time, it is always recommended that you have a friend and/or neighbour check your rental unit during your time of absence.

Those tenants who currently have a key to these rooms will be required to sign an updated Games and/or Exercise Room Agreement, and obtain a new key. For those tenants who currently have a key, and no longer wish to use these rooms, please return it to the Valley High office, and you will be refunded the \$10 deposit.
