Winter tips for Ontario drivers...

- ✓ Get your vehicle winter ready. Make sure you carry an ice scraper and windshield washer fluid effective to -40C. Keep your gas tank at least half full.
- ✓ Plan ahead and use your judgement. Check road conditions and closures at www.ontario.ca/511.
- ✓ Have emergency supplies with you – a charged cell phone, non-perishable food, water, a blanket, warm clothes, jumper cables, a shovel, flashlight and a bag of sand.
- ✓ Slow down and allow extra space between you and other vehicles. Hard braking, quick acceleration and abrupt gear changes can cause skidding. Avoid using cruise control; it reduces your vehicle control.

Don't be left out in the cold....Practice Winter Safety!!

Let it snow, let it snow, let it snow!!

Join us at **1pm on Friday, December 2nd** as we decorate the lobby for the holiday season. Refreshments will be served.

Prepare for cold weather snaps...

Pay close attention to local weather reports. Avoid opening your windows if it gets too hot in your apartment; lower the thermostat to 15.5C (60F) instead. *Never turn the heat off completely!* Place furniture and heavy drapes away from radiators so as not to block the movement of room air. Fill out a maintenance work request if a heat issue persists within your unit.

Donors needed this holiday "Give" campaign season...

Start a new tradition this season; book a first appointment to donate blood by downloading the *Give Blood App* for Apple or Android or visit <https://blood.ca>.

Sharing the air...

Please take into consideration the impact second hand odours have on your neighbours! All tenants must be allowed the privilege to reasonably enjoy their rental units and the building common areas at all times! Bring foul odour issues directly to our attention at 705-876-1717 ext. 201.

Christmas Cryptogram

Cryptogram Basics: In any type of standard cryptogram puzzle, one letter of the alphabet is substituted with another letter. The same substitution is used throughout a single puzzle. When you're solving cryptograms, remember that if A=Z, it will always equal Z in that puzzle. Best of luck!
